Dear Mr. Murtha:

On Thursday, 3 June, you spoke to our Senior Officer Development Course on the issues of power and authority in Congress. I understand from those who attended that you also gave your insights on how we in the Agency can be more effective in our presentations to Congress in general and your Appropriations Committee in particular. We appreciate your taking the time to address our people. Your comments were very well received.

Cordially yours,

Director, Office of External Affairs
